+ 5. Prior Discipline

6. Affiliates

- The pharmacy, business or medical practice, website, staff, any associated medical personnel, domain name registrant, and any person or entity that exercises control over, or participates in, the business must not be affiliated with or control any other entity that violates these standards. Affiliates are any individual, business, or entity who previously, currently, or is expected to have a commercial and/or professional relationship with the applicant organization or its principals. For example, this includes but is not limited to supplying wholesalers and co-owned companies.

Internal Practices

We check to see that your affiliates and staff have the required qualifications.

External Practices

We make sure your patient services or treatment practices are in compliance with applicable laws.
